Annual Report of the Superintendent of Schools

To the Board of Education and Citizens of the Hill School District:

I herewith submit my annual report as your Superintendent of Schools.

The staff of the Jennie Blake School this year includes Mr. James MacFarlane, Jr. as your Principal and teacher of grades five and six. Mrs. Grace Colby returned to grades three and four. Miss Elaine Bodie is your teacher for grades one and two. Mrs. Martha Gilchrist continues as your school nurse as does Mr. Vincent Kondrotas in music. Mrs. Sally Baranowski began as your Title I reading teacher at the mid-year. Now that the new teachers are acquainted with the school and community, I feel that the education is progressing very well at the Jennie Blake School.

Improvement to the school plant last summer has provided the school with usable teaching space and a library area in the basement of the school. This new area has been used for films, filmstrips, library and research classes.

Our educational programs in modern mathematics and our integrated phonics and reading system are progressing. Conversational French was dropped this year due to the educational television stations cancellation of the French program.

The budget for 1969-1970 of \$85,056.78 is up \$5,471.80 over this year's budget. The major portion of this increase is \$2,892.52 for teacher salary increases to meet the new salary schedule. The second major increase of \$2,557.00 is for tuition. It is felt that the amount requested is needed for the proper operation of our school system.

I would like to express my appreciation to the Board of Education and the Citizens of Hill for their support of our educational efforts.
